

Bismillahir Rahmanir Rahim

From the Cliph of Allah, Al-Mahdi to the whole Muslim nation of the world

Salamun Alaikum

All praises be to Allah Who has created everything and has guided them all. O Allah, please grant peace to the Holy Messenger Muhammad (Peace and Blessings be upon Him), to His family members and to all His companions. Amma Ba'ad.

When the Holy Messenger Muhammad (Peace and Blessings be upon Him) appeared as the final messenger of Allah from Mecca, the inhabitants of Mecca and rest of the Arab people opposed Him. It was unbelievble to them that how a person among them can be a messenger of Allah, who eats like them, goes to market like them. No angels accompany Him, not even He has much money. Most of the people having such thoughts of the Holy Messenger Muhammad (Peace and Blessings be upon Him) left this earth being deprived from Islam.

Likewise, the image of Al-Mahdi to general mass is that he will be some kind of superman who will take the oath of allegiance from people inside the grand mosque Al-Haram of Mecca, at the Ka'ba between the black stone and Maqam Al-Ibrahim. And Allah will miraculously stop or destroy the Saudi defense force. And Al-Mahdi himself will have no idea of his being the Al-Mahdi, rather some people will drag him out forcefully from his house to give the allegiance.

Due to wrong interpretations of Hadith about Al-Mahdi, huge conveying of these wrong interpretations and lacking of sound research from the Islamic scholars on this issue resulted in a wrong image about Al-Mahdi to the Muslims overall and they are convinced on it.

The corrected interpretations of some of these Hadith that were received by me from Allah and how those came in my life will be narrated here, by Allah's help.

يكون اختلاف عند موت خليفة- فيخرج رجل من اهل المدينة هارب الى مكة- فياتي به الناس من اهل مكة- فيخرجونه- وهو كاره- فيبايعونه بين الركن والمقام- ويبعث اليه بعث من اهل الشام فيخسف بهم بالبيداء بين مكة والمدينة- فاذا رأى الناس ذلك اتاه ابدال الشام وعصاب من اهل العراق- فيبايعونه بين الركن والمقام

Meaning: Dispute will arise near the death of a king. Then a city-man will appear, he will flee to Mecca. Then some people of Mecca will come to him. Then he will be exposed to people and he will dislike it. Then people will convey the oath of allegiance to him between Rokon and Maqam. And a group of people from Sham will be sent to him. And they will be swallowed by the land in a desert between Mecca and Medina. When people will come to know of this incident, saints from Sham and groups from the people of Iraq will come to him and will convey the oath of allegiance to him, between Rokon and Maqam.

The consequence of events are as follows:

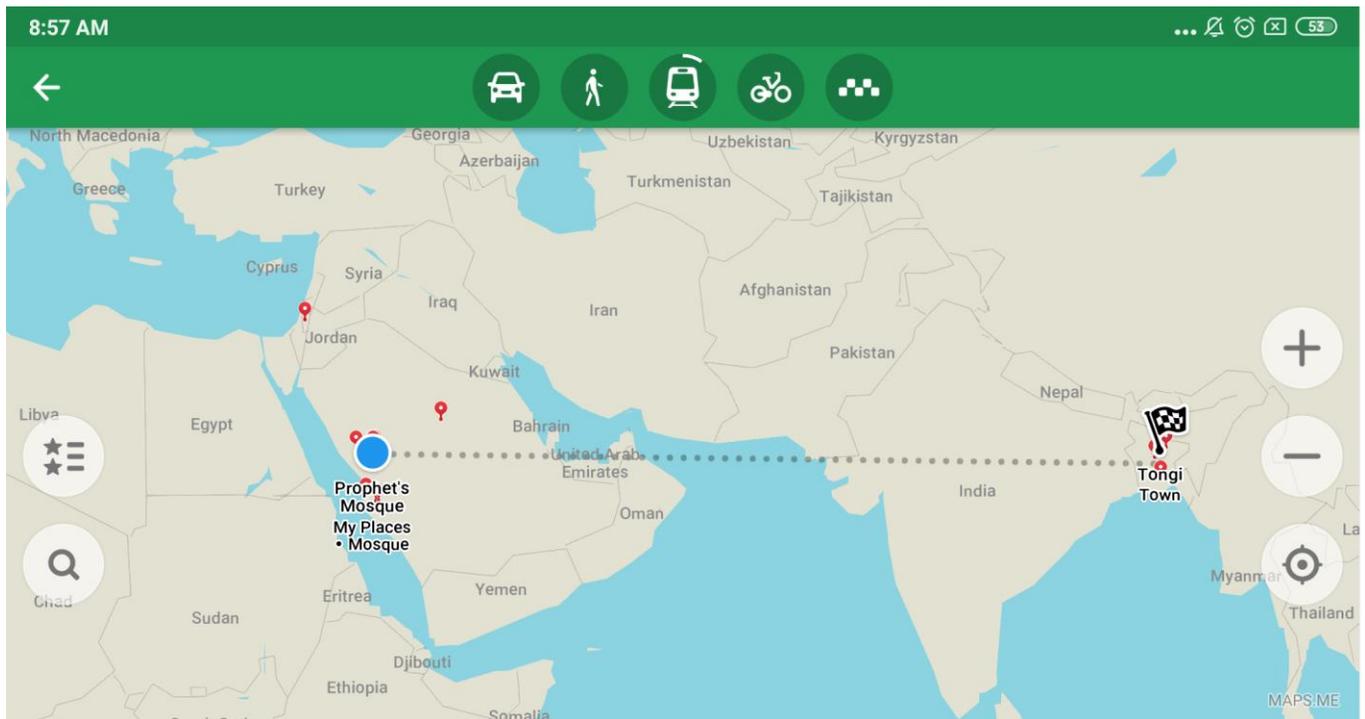

1. Dispute will arise near the death of a king between three princesses.

Explanation: King Abdullah died in 2015 and in that very year dispute began between Muqrin Bin Abdul Aziz, Muhammad Bin Nayef & Muhammad Bin Salman for the position of Crown Prince

2. A city-man will flee to Mecca

Explanation: The word “Medina” used in this hadith does not mean the city of Prophet, Medinatul Munawara. Rather here it is used for city. The Holy Quran will guide us in this case. The word Medina came 14 times in the Quran, among which only at three times (Tawba-101,120 & Munafiqun-8) it is for the city of the Holy Messenger. And for the rest cases (Kahf-19, 81, Qasas-15, 18, 20, A’raaf-123, Ahjab-60, Hizr-67, Yasin-20, Yusuf-30, Naml-48) it is used for city.

In addition, from other narrations, Imam Mahdi will come from a country of the east. If we draw a straight line towards the east from Medina, it reaches to Tongi, Bangladesh where I grew up from my childhood. I fled towards Mecca from Tongi in October, 2018.

More details explanations can be found in my YouTube lecture titling “**Al-Mahdi has appeared in Mecca & People have Conveyed oath of allegiance to Him before and during Hajj-2020**”.

3. Some people of Mecca will come to him

Explanation: Here Mecca stands for Tongi and some of my companions have come to me from Tongi. The proofs of Mecca stands for Tongi are:

- Numerical values of Mecca and Tongi are 19.
- Hajj is performed in Mecca and Tabligue Iztema is performed in Tongi.
- Obstacles came to Hajj in Mecca and obstacles came to Iztema in Tongi.

- The Holy Messenger Muhammad (Peace and Blessings be upon Him) grew up in Mecca and got married at the age of 25 years. I grew up in Tongi and got married at the age of 25 years.
- The people of Mecca protested and insulted the Holy Messenger Muhammad (Peace and Blessings be upon Him) for conveying Islam in Mecca. The people of Tongi protested and insulted me for conveying Islam in Tongi.
- The Holy Messenger Muhammad (Peace and Blessings be upon Him) fled and migrated from Mecca. I fled and migrated from Tongi.
- After few days of the migration of the Holy Messenger Muhammad (Peace and Blessings be upon Him), His family also migrated. Likewise, my family also migrated after few days of my arrival at Mecca.
- Many of the companions of the Holy Messenger (Peace and Blessings be upon Him) migrated from Mecca and some of them were arrested and imprisoned. Many of my companions migrated from Tongi and some of them are arrested and imprisoned now in Bangladesh.

4. He will be exposed among people and he will be displeased

Explanation: The book written by Mahmud Al-Hind about me, some Facebook followers, TV channels and national newspapers of Bangladesh criticized me and slandered me as a terrorist and this made me displeased.

5. People will convey the oath of allegiance to him between Rokon and Maqam (1st Incident)

Explanation: Rokon and Maqam are translated for the black stone and Maqal Al-Ibrahim, which are completely wrong. Rather Rokon and Maqam stand for two special events or times of Al-Mahdi. Hence, the first event of allegiance will be after the Rokon.

I was guided by a dream to understand the Rokon and it pointed me to the first verse of Surah Al-Fath (chapter-48). This verse was upon the insulting contract at Hudaibiyah signed by the Holy Messenger (Peace and Blessings be upon Him) when the people of Mecca refused Him to perform Umrah at Mecca and He returned from there. Then Allah gave Him a glad tiding of a near victory. Main points of this incidents are **insult** and **shunt**. Likewise, I was **insulted** by the social and national Medias. Then I stopped delivering online lectures and **shunted** away.

Another point to be noticed, generally the Arabic word **Rokon** is translated for corner, while it has another meaning, which is **Shunt**.

After Rokon i.e. shunt from online activities, before and after the Hajj 2020 (1441 Hijri) more than three hundred people including men, women, children and Islamic scholars conveyed the oath of allegiance to me. (1st incident)

The Saudi Government took all possible attempts to stop Al-Mahdi. Under the cover of Corona Virus, they blocked the grant mosque of Mecca and suspended the Umrah

and Hajj for the Muslim world. But Allah had a better planning and everything happened according to His plan, all praises be to Allah only.

6. A group of people from Sham will be sent to him and will be swallowed by the land (yet to happen).
7. Saints from Sham and groups from the people of Iraq will convey the oath of allegiance to him (2nd incident) (yet to happen).
8. The Maqam i.e. purification in one night will happen (yet to happen).

Explanation: Maqam stands for one night purification event of Al-Mahdi that will happen after the 2nd incident of allegiance.

يقتتل عند كنزكم ثلاثة- كلهم ابن خليفة- ثم لا يصير الى واحد منهم- ثم تطلع الرايات السود من قبل المشرق- فيقتلونكم قتلا لم يقتله قوم- ثم ذكر شيء لا احفظه- فاذا رأيتموه فبايعوه ولو حبوا على الثلج- فانه خليفة الله المهدي

Meaning: Three will fight each other near your treasure. All of them are princes. Then none of them will be able to achieve it. Then black banners will rise from the east. They will kill you in such a way that no nations have ever done such killings. Then the narrator Sawban Radiyallohu Anhu says, then the Holy Messenger said something that I could not remember. So when you will see him, convey the oath of allegiance to him, even if you have to crawl on the snow. Because he is the Caliph of Allah, Al-Mahdi.

The consequence of events mentioned in this Hadis are:

1. Conflict between Saudi three princesses and none of them will become the king
Explanation: Muqrin Bin Abdul Aziz already died or was killed. Muhammad Bin Nayef was arrested and in prison now. All attempts to become the king by Muhammad Bin Salman will go in vain very soon.
2. **Black banners** will rise from the East
Explanation: The Arabic word used **Rayat** means **flags**. While **Rayat** or **Flags** has another meaning, which is **Science**. Hence, the Hadith is telling that **Black Science** like **Corona Virus**, **HAARP** and other weather and germ weapons will be imposed upon mankind from **China** and **Other Super Powers** to kill people.
3. People will be killed in such a way that never happened before.
Explanation: Worldwide killing of people using **Corona virus** never happened before in the history of mankind.
4. Before the 1st incident of allegiance Al-Mahdi will appear among the people and will do something that Sawban Radiyallohu Anhu could not remember.
Explanation: The very next sayings of the Holy Messenger (Peace and Blessings be upon Him) that Sawban Radiyallohu Anhu forgot is, **when you will see him....”** it means, **about a person** was discussed in the forgotten portion, **who will come in front of people and people will see him or will come to know about him.**

At the initial stage of Corona Virus when there was no lockdown, then I was delivering lectures through Facebook and YouTube. I was warning the people of the current situation of the world, conspiracy theory and conception of Al-Mahdi. As a result, within a few days I was greatly criticized by social media, TV channels and newspapers and many people around the world came to know of me.

5. Even if you have to crawl on the snow-these words confirms that at the arriving time of Al-Mahdi, it will not be easy to enter Mecca.

Explanation: Under the cover of Corona Virus, the Saudi government restricted the world Muslims to enter Mecca. The main reason behind the scene was to stop the Muslims from coming to Al-Mahdi at the grand mosque Al-Haram, Mecca. But despite of all the attempts of Saudi government and the evil power working behind the screen, **Allah has kept Al-Mahdi safe in Mecca and more than three hundred people have already conveyed the oath of allegiance to him secretly.** Now every day their number is increasing, although the world people and the Satanic power are not aware of where and how things are going on.

6. At any circumstances, now the Muslims are obliged to convey the oath of allegiance to Al-Mahdi.

How my name and my father's name fit with the narrations of Hadith, my several travelling between Mecca and Medina, being among the Ahle Bait and from the children of Fatima Radiyallohu Anha and other issues are discussed in my YouTube lecture **"Al-Mahdi has appeared in Mecca & People have Conveyed oath of allegiance to Him before and during Hajj-2020."** May Allah give all the Muslims a clear understanding, Ameen.

Now I would like to remind the Muslims around the world, we are Muslims. We believe that Allah is our only Lord, there is nothing that can be associated with Him. He has established the true religion of Islam on the earth through the Holy Messenger (Peace and Blessings be upon Him) which now after fourteen hundred years has turned fade like old sheet and foreign to people.

At any circumstances, this earthly life will come to an end and we will have to reach the grave. No possessions or no persons will accompany us there. An infinite life will begin that will never come to an end. Any good or bad deed that I do here will accompany me. This earthly life is like a journey, from where we will have to earn enough goods for our hereafter. Death will come at any moment to take us to an unknown world, from where no one could ever return, and the same thing will happen to me. This is the real truth, and we need to realize it very deeply.

Henceforth, better we adopt the five times Solah as our provisions, for rest of the life. Those who have enough wealth, they should pay annual charity and make intention to perform Hajj if the world becomes normal again.

Now at present situation of the world, it is very essential for the Muslims to be united under one single umbrella and to work together for Islam. We will start with four steps which will be followed by some more steps on upcoming days:

1. Forget all groupings among Muslims and be united under one single rope of Allah by conveying the oath of allegiance to me that we will lead our life according to the prescribed path of Allah and His Holy Messenger (Peace and Blessings be upon Him). To give allegiance to me is now obligatory for all Muslims around the world. From any part of the world, convey your oath of allegiance and Allah will be witness for you.
2. The true messages of Allah and His Holy Messenger (Peace and Blessings be upon Him) that I am conveying and will convey, try to follow all these guidance. Allah will clean all evils from the earth. If there is evil in my heart, then I will also be cleaned away from this earth now.
3. Try to convey the messages of Islam to the non-Muslims as much as you can, so that they also gather under our umbrella and strengthen us thereby.
4. Make yourself always ready to follow the upcoming instructions and commands from me, at any circumstances, even if you need to sacrifice your life, wealth and family.

May Allah grant all Muslims the realizations of my words and act upon those, Ameen.

I have written this letter in Bengali and then translated in Arabic, English, Urdu and Malayu to spread my message to all Muslims around the world. Those who know other languages, please translate this letter to those languages so that the message reaches to Muslims of those nations. Insha Allah, my letter will reach to the evil powers before it reaches to all Muslim brothers and sisters. And they will realize their near destruction and a clear victory of the Muslim, by the help of Allah.

Wassalam
